DRAFTSIGHT 2025 SP0
List of Fixed IRs

IR #	Brief Description of issue(s) fixed
IR-1285169	**General** Text entities in a DWG file rotate at random angles if edited.
IR-1303484	**Print** When performing a print operation using (Control+P), the drawing frame block goes missing.
IR-1292609	**General** Draftsight crashes when multiple standard .dws files are used.
IR-1285777	**General** The multiplication formula that was added to BOM does not function as intended.
IR-1290388	**General** Unable to edit the table cell by selecting/clicking on it.
IR-1274062	**Drafting** Not able to locate the diameter symbol by typing %%c in the 'FIND' command.
IR-1259424	**General** DraftSight's "Insert Field" function inaccurately displays field values if the drawing is opened in another software.
IR-1287287	**File** The FindFile function returns a path modified from the input value it was given in 2024.

IR #	Brief Description of issue(s) fixed
IR-1251720	**General** Geometry in DWG file shifts while editing multiline text.
IR-1283885	**Blocks** When a special character is added in the middle of a line of text, the text behind it will change font based on that special character.
IR-1298146	**Blocks** Dynamic blocks convert it to a custom block, resulting in rejected elements and malfunctioning the custom block.
IR-1275626	**General** Issue while creation of MTEXT using Entmake & Entmakex.
IR-1283609	**Print** Even when 'Print transparency' is selected in the Export PDF, layer transparency is not displayed.
IR-1149477	**Drafting** When using the FILLAREA (or HATCH) feature, DraftSight takes time to execute the overall command and does not Fill the drawing area as per the settings.
IR-1268352	**Drafting** InfiniteLine cannot be trimmed a second time in the edit component.
IR-1289959	**Block** Renaming a block with "Save As" doesn't update the block name in the Block editor.
IR-1276364	**General** A hyperlink added to a named view in the current drawing does not work and shows the error 'Hyperlink Destination cannot be found.

Our **3D**EXPERIENCE® platform powers our brand applications, serving 12 industries, and provides a rich portfolio of industry solution experiences.

Dassault Systèmes is a catalyst for human progress. We provide business and people with collaborative virtual environments to imagine sustainable innovations. By creating virtual twin experiences of the real world with our **3D**EXPERIENCE platform and applications, our customers can redefine the creation, production and life-cycle-management processes of their offer and thus have a meaningful impact to make the world more sustainable.The beauty of the Experience Economy is that it is a human-centered economy for the benefit of all – consumers, patients and citizens. Dassault Systèmes brings value to more than 300,000 customers of all sizes, in all industries, in more than 150 countries. For more information, visit **www.3ds.com**.
